Request winter service

The tenants of the house community

Street, House No.:
Postal code, City:

are unanimously in favor of awarding the winter service to a service provider to be commissioned by RHEINBAU.

The house community is aware that the resulting costs are passed on to the house community by RHEINBAU via the utility bill, with the costs being shared equally among all rental units.

RHEINBAU obtains offers from suitable service providers and submits a suitable offer to the tenants for examination and approval. If all tenants agree, RHEINBAU will commission the service provider.

All tenants agree to the above regulations and acknowledge this by stating their name and signature on the following page(s).
